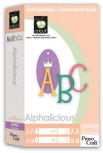
HAPPY SPRING

Design by: NadiaHerbstMcConnell (10 Projects)
About me: I like manually altering figures and combining cartridges to get just the image I want! My favorite projects are vignettes and gift sets! For years, my preferred medium was fabric!
Project skill level: moderate
Project time: 30 minutes to 1 hour
Project tags: Spring Seasonal Cards Cards Playful

I used the jumping cheerleader from All Sports, altered to transform her into a cheery lady.

CRICUT®: WHAT WAS USED



Cricut® Alphalicious Cartridge

Cricut® Mother's Day Seasonal Cartridge

Cricut Imagine® Art Cartridge, Best Friends

STEP 1

Cut figure from All Sports and remove her legs and poms, cutting to give her hands. Details on cut sizes and additional tips to transform her can be found at:

STEP 2

Cut down hair. I also cut a secondj "hair layer" in flesh and used the negative space to create my face. I backed it in black. For more details on this:

STEP 3

Cut a smaller mouth! The mouth on the orginal cut no longer worked with my new face. For more sizes, check:

STEP 4

Cut flowers. I used Mother's Day Bouquet and cut two and three simple shapes that I layered. I used ink and microfine pen to give details. Background was printed from Imagine Best Friends.
