About me: I've been a crafter all of my life. The day I bought my Cricut Expression changed my life, I can spend hours and hours cutting, assembling and just plain having fun, "playing" with all of my toys.

Project skill level: moderate

Project time: 1 hour to 2 hours

Project tags: Christmas Holiday Party Decorations/Favors Gifts Holiday Décor Home

I love my paper doll cartridges and get a lot of use out of both of them. Here is a prouect that uses both. I'm unable to include the cut files as I was unable to hide certain conturs in CCR and had to use my CDS which for some reason can no longer save files as Gypsy files.

I cut all of the clothes, hair and layers, painted the dolls and stands, attached their eyes, drew the smiles on with my Cricut Ink, added some cotton batting to Santa's suit, used glazed dimenisons to decorate the gingerbread people and added pom poms to the elf shoes.
