BLUE EMBOSSED POCKET INVITATION

Design by: AnnaGriffinDesignTeam (8 Projects)
About me: I love to Craft
Project skill level: moderate
Project time: 30 minutes to 1 hour
Project tags: Vintage Bridal Shower Wedding Feminine Celebration Invitations

Send this beautiful invitation to all your guests!

CRICUT®: WHAT WAS USED

Cuttlebug® Machine - New Design!

Cricut Cuttlebug™ 5" x 7" Embossing Folder & Border, Acanthus

OTHER MATERIALS NEEDED

- 12" paper trimmer
- Craft knife
- Cutting mat
- 3D flower sticker
- 16" of ¼" ribbon
- Solid cardstock (1)
- Two tone flocked cardstock (1)
- Two tone floral cardstock (1)
- Foam adhesive
- Ivory cardstock (1)

STEP 1

Cut a 5 ¾" x 7" piece from solid cardstock. Place in Cuttlebug® Acanthus Folder. Fold sides around back of folder before running through Cuttlebug®. This will help create fold flaps for step 4.

STEP 2

Using cutting mat and craft knife, carefully carve out areas in the center of the card. Trim top along the wave.

STEP 3

Cut a 5" x 7 ½" piece from two tone flocked cardstock.

STEP 4

Run adhesive along the flaps and fold back. Run adhesive on the back along the bottom. This will create a seal on both sides and the bottom. Attach to piece from step 3.

STEP 5

Cut a 4 ¾" x 6 ¾" piece of solid cardstock. Use Cuttlebug® Acanthus to emboss.

STEP 6

Cut a 4 ½" x 6 ½" piece of ivory cardstock. Use Cuttlebug® Acanthus folder to emboss about ½" just at the top and bottom. This piece will be the printed pice of the invitation. Once printing is complete, attach to solid piece in step 5.

STEP 7

Cut a 12" x 1" strip of two-tone cardstock. Use Cuttlebug® Acanthus embossing border folder on one end, remove, turn around (not over), match up pattern and emboss other end. Wrap embossed strip around bottom of card pocket about ¾" from the bottom and attach in the back.

STEP 8

Wrap 16" of ¼" ribbon around bottom embossed strip and tie a bow in front.

STEP 9

Attach 3D flowers to front of pocket. Slide invitation into pocket.
